 Rehab City, New Cairo

### PROFILE

A passionate web developer and recent graduate. I have experience in both front-end and back-end development, where I've honed my skills in HTML, CSS, JavaScript, React and more. With a strong foundation in web development, I am eager to continue learning and adapting to new technologies in this ever-evolving field. My commitment to lifelong learning make me a valuable asset to any web development team.

### SKILLS

- React-redux
- React-toolkit
